HEADLINE: "OneHub Chennai" India and Japan joint development:
Three Japanese companies to be the first customers
REPORTER -

The screenshot shows the website header with the title "INDO WATCHER ビジネスプレミアム" and a navigation menu. Below the menu is a search bar and a news section. The main article headline is "■ 印日共同開発の「ワンハブ・チェンナイ」、日系業3社が進出へ". The article text describes the development of the OneHub Chennai township in Tamil Nadu, India, and mentions that Hitachi Automotive Systems, Ajinomoto, and Takasago International Corporation will be the first tenants.

Ascendas announced the details of the integrated industrial township "OneHub Chennai," that will be developed in Tamil Nadu Chennai. The company announced that Hitachi Automotive Systems, Ajinomoto and Takasago International Corporation will set up production facilities in the township as the first tenants.
