**ONEHUB CHENNAI's FIRST CLIENT,  
HITACHI AUTOMOTIVE SYSTEMS, COMMENCES OPERATIONS**

*Hitachi Automotive Systems celebrates inauguration of its 25-acre facility at OneHub Chennai*

**Chennai, 16 April 2015** – OneHub Chennai's first client, Hitachi Automotive Systems, celebrates the inauguration of their manufacturing facility in the township on 16 April 2015. The facility was inaugurated by Mr Kunihiko Ohnuma, Chairman and CEO, Hitachi Automotive Systems Ltd.

A leading automotive and engineering company, Hitachi Automotive Systems will be manufacturing automotive and transportation-related components, industrial machines and systems catering to Indian businesses at the new facility.

OneHub Chennai is an integrated industrial township developed by Asia's leading business space provider, Ascendas, leading real estate developer IREO and a Japan Consortium comprising of top corporate finance provider, Mizuho Bank, and programme management contractor & investment partner, JGC Corporation.

Phase 1 development of the 1,450-acre (585-hectare) industrial township has been completed, offering 322 acres (130 hectares) of industrial land. In addition to Hitachi Automotive Systems, two other customers, Ajinomoto and Takasago, will progressively commence operations by mid-2015. Liwayway, a Philippines snack manufacturer, and Maruchan Ajinomoto, a Japanese food manufacturer are also in the process of setting up their operations within the Phase 1 industrial zone.

Mr Kunihiko Ohnuma said: "Locating our operations in OneHub Chennai aligns well with Hitachi Automotive System's commitment to expand in India. With this new facility, we will be able to serve both international and domestic companies, providing high-quality automotive and engineering systems that cater to the growing Indian automotive market."

Mr Lee Fu Nyap, CEO of Ascendas' India Operations and Director of OneHub Chennai said "We welcome and congratulate Hitachi on their operations commencement in OneHub Chennai. We are proud that Hitachi, a leading company renowned for being passionately committed to quality, has chosen OneHub Chennai, which is a testament to the superior infrastructure and services provided at this integrated township".

Mr Ramesh Avadhani, Director, IREO and OneHub Chennai said, “We are proud to have Hitachi as the first client to commence operations from OneHub Chennai. This is an important milestone for the development and hope will encourage other organisations to partner with us.”

Located 50 km south of Chennai city, OneHub Chennai is strategically situated along the city’s IT and industrial corridor. It is also a preferred residential address, conveniently sited next to prestigious institutions of higher learning.

To be developed in phases, OneHub Chennai will be integrating industrial, business, commercial and residential facilities complete with lifestyle and recreational amenities and environment-friendly infrastructure. These will be designed and landscaped to blend nature and greenery into the township.
