New Delhi, Apr 11 Leading musical instrument maker Yamaha will set up a new factory at Chennai to manufacture portable keyboards, acoustic guitars and other professional audio equipment for **India** and other emerging markets.

The 28-acre plant would be at OneHub Chennai and is scheduled to go into operation from January 2019, Yamaha said in a statement.

Commenting on the development, **Yamaha Music India** Chairman **Takashi Haga** said: "With this new facility, we will be able to serve both international and domestic markets, providing high-quality musical instruments that cater to the growing market at competitive prices."

Yamaha is the fifth Japanese company to set up base in OneHub Chennai, it added.
